OFFICE OF STATE UNIFORM PAYROLL MEMORANDUM #2002-12

TO: All ISIS HR Agencies

FROM: Jena W. Cary
Director

SUBJECT: National Payroll Week - September 3 through 7

The annual "National Payroll Week" (NPW) sponsored by the American Payroll Association (APA) will be September 3 through 7. Governor Foster has once again issued a proclamation (attached) recognizing the dedicated work of payroll professionals throughout the State of Louisiana.

The dedicated efforts of each agency and individual payroll professionals has been much more obvious in this last year with the preparation and implementation of the new ISIS HR Payroll system. Thanks to you, millions of dollars annually have continued to be properly collected and remitted to employees, credit unions, health and life insurances, deferred investments, and to our state and federal governments. Also, let's not forget the hundreds of children and other dependents who also rely upon the efficient collection of child support for their everyday lives. Every payroll professional touches many lives. Celebrate NPW with the satisfaction that you are contributing to your agency's financial success and that, with your help, your employees' money is in the bank!

Again, thanks for your support over the past year and have a fun week.
